A CHANCE ENCOUNTER

John had always been a bit of a loner, happy to spend his days lost in his work as a writer.

As she left the shop, John knew he had to find out who she was. **1.3.** _____ He also asked around the neighbourhood, but no one seemed to know her. Determined to find the mystery woman, John turned to social media, asking if anyone knew her. But as the days turned into weeks, there was still no luck.

Just when John was losing hope, he received a message from a woman claiming to be the mystery woman's friend. **1.4.** _____ John rushed over to introduce himself to his new neighbour. As it turned out, the woman was just as smitten with him as he was with her, and the two of them fell head over heels in love.

Years later, John and the mystery woman were happily married, living in the same neighbourhood where they first met. Every time they passed by that coffee shop, they couldn't help but smile and thank their lucky stars that brought them together.
